SENATOR ANDERSON: Now, Mr. President first of all I moved the adoption of my amendment to LB 286 and now I'd like to move the previous question. I think that we've completed the discussion on this and I think that we are ready to vote.

PRESIDENT: Well fine. Does the chair see 5 hands again. Fine. The question is, shall the debate now close on the amendment to on Senator Andersons amendment to 286. Senator Stahmer, for what purpose do you rise?

SENATOR STAHMER: I wish to rise to offer an amendment which probably will not be adopted, but I would like to amend the amendments most of which the doctors agree to, but to amend it to include the fact that mention would be made of the first tri-mester, of pregnancy as outlined in the U.S. Supreme Court decision and that would allow this decision on termination to be a matter between the doctor and the woman. I think to do, otherwise is to, ignore what the U.S. Supreme Court said. Most of these amendments are acceptable of the doctors. This is the key issue. I offer an amendment to the Anderson amendment in that fashion.

PRESIDENT: Well, once again the chair finds itself in a very
